

CLAIM

I claim that this Sturdy HOLIDAY LITE/STOR-IT-RITE Plastic Storage Box with inserts and lid will store, protect and keep all holiday strands of light in place. Top half insert can be used for icicle lights giving them enough room to hang freely and the bottom half can be used for small, medium or large bulb light strands. You can also use the storage box with inserts to store and protect your garland, strands of beads or household extension cords. These inserts are perfect for tangle free storage with no more broken or missing lights. Makes hanging and storing your holiday lights fast, easy and neat, ready for your next holiday.
